

# PROJECT ECHO NL: OPIOID USE DISORDER

Session 10: Tuesday, April 13, 2021

## Special Populations: Youth and Young Adults

Tuesday, April 13, 2021

12:00 – 1:00 pm NDT

### Learning Objectives:

At the conclusion of this activity, participants will be able to:

- Outline the general approach to engaging youth in the care setting.
- Identify screening tools, including the Screening, Brief Intervention and Referral to Treatment (SBIRT) approach, and how they can be used to make a diagnosis of OUD in this population.
- Describe the unique treatment challenges faced when treating OUD in the youth and young adult.
- Describe treatment options for youth with OUD and the rationale for choosing between them.
- Recognize the necessity and effectiveness of a multidisciplinary approach to care for this population.
