

## PROJECT ECHO NL: OPIOID USE DISORDER (CYCLE 1)

Session 4: Tuesday, January 11, 2022

### Trauma-Informed Care in Addictions Practice

Tuesday, January 11, 2022

12:00 – 1:00 pm NST

#### Learning Objectives:

At the conclusion of this activity, participants will be able to:

- Define trauma and recognize its signs and symptoms.
- Discuss the impacts of trauma, including its long term effects.
- Discuss how to integrate a trauma-informed approach into treatment for opioid and other substance use disorders.
- List trauma-informed interventions used in the treatment of opioid and other substance use disorders.

New  
date!

#### Speaker:

**Dr. Sara Davidson, MD**

Medical Director

River Stone Recovery Centre

Fredericton, New Brunswick
